Adam,

Attached please find the requested map presenting real-time air monitoring readings for 1,3-butadiene in the community from 11/27/2019 09:30 - 11/30/2019 05:40 CDT.

Regards,

Shawn

Subject: TPC air location

Good afternoon Shawn,

ATSDR has asked for a map showing the butadiene detections. Would you have this handy that I can share with ATSDR for the health consult, please?

Cc'ing TPC in case concurrence is required and for situational awareness.

Thanks

Adam Adams, FOSC
